

**The Green Building Council of the Home Builders Association of West Florida presents:  
DR. JOSEPH LSTIBUREK  
BUILDING SCIENCE CORPORATION**

**Wednesday, February 8, 2012  
12:00 p.m. to 5:00 p.m.  
University Of West FL Conference Center  
(11000 University Parkway, Pensacola)**

Dr. Joseph Lstiburek, Ph.D., P.Eng., ASHRAE Fellow , is a principle of Building Science Corporation. He is a renowned speaker and has written numerous publications on building failures and is internationally recognized for his expertise on moisture related building problems and indoor air quality. The topic will be Energy Efficiency for new construction and retrofits in hot humid climates including IAQ, HVAC and ventilation do's and don'ts for super insulated homes, advanced framing techniques, sealed attics and more.

**\*There is no fee for lunch or to attend this event but attendees MUST register no later than February 1st by returning this completed form via fax to 494-9764, e-mail amy@hbawf.com, or mail to: HBA 4400 Bayou Blvd Suite 45 Pensacola, FL 32503
